### Market Shows Strength.

The probabilities are that had it not been for the decided firmness of the market exhibited up to 2 o'clock to-day the last hour of business would have been fully as dull as any of those pre-ceding it. The fact was, however, that riagnant as the market was to-day, it evidenced such decided strength that trading speculators on the floor of the stock exchange who were for the most store exchange who were for the most part bearish throughout hast week shifted their position and began to retire their contracts for the fall. These contracts were not numerous at most, but the huying that was necessitated in order to cover them served to advance quota-tions.
